money (Kieren & Munro, 1985) Moreover, field notes are also important because ideas and memories from interviews will most likely be lost further down in the research process Indeed, soon after the interview, the brain will already be re-ordering the material and making connections within and outside the interview (Wengraf, 2001)

One Crazy Summer

money was safe Papa had kissed Vonetta and Fern and told me to look after my sisters Even though looking after them would have been nothing new, I kissed him and said, "I will, Papa" When the line to the ticket taker had begun to move, Big Ma had gotten teary and mushed us up in her loose-fitting, violet and green muumuu dress

Setting in literature and creative writing

The last green had almost faded out of the grass, when they came at length to and open glade not far above the banks of the stream (...) Just then there came a burst of song like laughter in the trees (...) They were elves of course Soon Bilbo caught glimpses of them as the darkness deepened JRR Tolkien, The Hobbit, 1937 07
